

Optimal Cura

The picture shows a mattress with Olivia cover.

Preventative mattress replacement
with good pressure equalization

Optimal Cura

Optimal Cura is used as an aid in the prevention and treatment of pressure ulcers up to and including category 1⁽¹⁾. It is a mattress replacement, used in all types of healthcare environments.

Optimal Cura is a two layer mattress where the top layer is made from visco-elastic foam (so called memory foam) and the bottom layer is made from HR foam. The special design of the mattress and the materials gives very good pressure equalisation. The two layers allows the body to sink into the material, and thereby lower the pressure against the body.

Care of Sweden's mattresses are supplied with a four way stretch hygienic outer cover which conforms to relevant standards for hygiene⁽²⁾, quality and safety. All covers are manufactured from modern, recyclable materials and are vapour permeable⁽³⁾, which reduce the risk of skin maceration.

Facts

Core: HR-foam + visco-elastic foam 50 kg/m³

Height: 13 cm

Function: Prevention and treatment up to and including category 1⁽¹⁾

Recommended user weight: 0-130 kg

Fire: EN 597-1, -2

Warranty: 3 years

Cleaning of cover: Wipe with cleaning agent and/or disinfectants.

Machine wash max 95 °C, tumble drying.

Features & Characteristics

Pressure

Highly elastic, high-quality material with effective pressure equalisation that provides good comfort.

Shear forces

The mattress is specially designed to minimise the effects of shear forces.

Moisture

The hygienic cover is vapour permeable⁽³⁾, which reduces the risk of skin maceration.

Hygiene

The cover is easy to clean and has a very well documented hygienic standard⁽²⁾.

Available covers

Cover Olivia

Drip shield zip on three sides.

Cover Olivia H

Same as Olivia cover but with handles for transport and moving.

Olivia/Evac Cover

Divisible, drip shield zip and handles for evacuation on one side.

Cover Nordic

Welded seams, drip shield zip on three sides and handles on one side.

Cover Steel/Evac

2-piece cover with handles for evacuation. Welded seams and a protected zipper on all sides.

For need of non hygienic cover, please contact your distributor.

Sizes

80/85/90/105/120x200 cm and 80/85/90x205/210 cm.

If you need any other sizes please contact your distributor.
