

Curera® Concept Seat Cushion

Comfortable Seat Cushion

Curera® Concept Seat Cushion with Standard Cover

Curera® Consept Seat Cushion

Curera® Consept is a comfortable pressure redistribution seat cushion, constructed from an anatomically moulded polyurethane foam base with a memory foam insert on the upper side. Equipped with lateral supports, leg divider and material that mimic the shape of the pelvic, it offers stable seating for those who require extra support.

The anatomical and adapted design redistributes the pressure towards the underside of the thighs, provides a good seating position and relief for the sitting bones and coccyx, as well as a reduced risk of shearing forces. Recesses for lumbar supports and a rounded rear edge also give it a good fit in a wheelchair. Consept provides a good level of sitting comfort and is suitable for people sitting for longer or shorter periods. Curera® Consept may be used for wheelchairs with rigid seat base or adjustable seat base.

Consept has a waterproof surface that does not allow liquid to penetrate, and it is easy to clean. The cushion comes with a durable cover in grey high-friction polyester plush. All Curera® seat cushions and covers are free of brominated flame retardants and latex.

AVAILABLE COVERS

Standard Cover

Flexible and elastic material on the top side that prevents the user sliding with an anti-slip underside.

Hygienic Cover

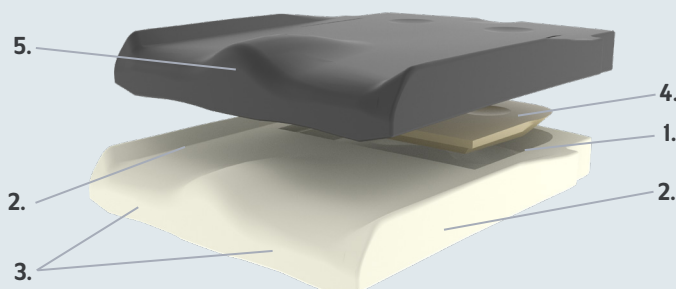

A liquid proof and vapour permeable cover that is elastic and flexible with an anti-slip underside.

Onyx Cover

Material made of 4-way stretch on the top side and an anti-slip underside. Comes with handles on the underside. Available with a mesh layer for a better microclimate and a generally higher comfort.

Onyx Cover+

Flexible, elastic and removable cover made in 4-way stretch on the top and anti-slip on the lower part which counteracts forward sliding. Intermediate layer of mesh which contributes to a good microclimate and comfort. Handle on the underside.

- 1. SEAT WELL
- 2. LATERAL SUPPORT (SIDE SUPPORT)
- 3. RECESSES FOR LEGS
- 4. RECESS FOR COCCYX
- 5. LEG DIVIDER
